GUIDE TO IBMS ACCREDITED POSTGRADUATE DEGREE PROGRAMMES IN BIOMEDICAL SCIENCE 2008-2009

Within the current membership structure the Institute accredits master degree qualifications as one of the entry criteria for the Higher Specialist Diploma examination.

Master level qualifications also enable eligible members of the Institute to be recognised as Chartered Scientists.

Please contact the relevant Liaison Officer for information on their course including a description of the aims and content and also for the entry requirements. Updated information is published in *The Biomedical Scientist*.

Enquiries about enrolment should be made via the Universities and Colleges Admissions Service (UCAS). [Tel: 01242 227788; Website: www.ucas.ac.uk].
