

**4TH NOVEMBER 2017**  
**NATIONAL RAILWAY MUSEUM**  
**YORK**

The planning committee have once again been hard at work to secure expert lecturers to provide another educational and entertaining seminar for all in cytology

As ever, there will be a busy commercial exhibition so please book ASAP to avoid missing out!

**TOPICS INCLUDE:**

- **Biology of Cancer**
- **UK-wide perspective on HPV screening**
- **Histopathology Pilot**
- **Non-Gynae Cytology**

**The BAC is a professional association for those working in cytology.**

**We are committed to improving the professional, educational and practical standards for cytologists in the UK and beyond**
